

Blue in the face

by
Mr. Craig

For some
reason,
my mom
freaks-out
when I don't
breathe.

And I use this to great personal advantage.

OK!
You can go on
one more ride!
Just breathe!

So, I stopped breathing
and I got...

...bluer

...and bluer

...and bluer.

Who wants popcorn?

That kid's head
looks like a
ginormous
blueberry!

Or a
chunky
blue whale!!!

My plan was
going perfectly
until...

... I felt an
epic burp
coming on.

I did not see
that coming.

Nurse!
Get the
web cam!

Next time, I think I'll breathe.
